

WEDDING STATIONERY  
DESIGNED JUST FOR YOU

**kalkwik**<sup>®</sup>  
business design + print

Your wedding day is one of the most memorable moments which you and your loved ones will cherish for years to come. It doesn't have to cost the earth, the words 'I do' and the promises made of course matter the most. But, adding your own personal touch can make it unique from any other. Be that with meaningful words engraved on the wedding rings, riding a tandem to your reception, the cake made by your mother, or choosing a venue which is personal to you.

At Kall Kwik we too offer the personal touch. We'll design and print your wedding stationery just for you. From Save the Date cards to Thank You cards we will create a style that helps make your big day really special.

# TIMESCALES

We aim to meet your deadlines whether they are 3 days or 3 weeks. However, for your piece of mind and to avoid any unwanted stress or disappointment, we recommend allowing yourself two weeks for design and printing. If you have a specific date in mind though we'll always do our best to try and help.

# DESIGN CONSULTATIONS

Creating the right design for you is our main priority. You are welcome to come and talk with our team where you will have the opportunity to discuss budgets, any ideas you may have for your wedding stationery and your likes and dislikes. If you are happy with the budget and would like to proceed we will then begin to produce a few designs to wow you with, taking all these things in to consideration. Typically, we will come back to you with visuals within 3-5 working days.

Before you come along to meet the team, it may be worthwhile taking the time to think about the following:

- your chosen colour scheme - your dress/suits/bridesmaid dresses, flowers and accessories
- the style of your wedding - classic, vintage, modern, quirky, fun
- the ceremony and reception - Church or venue, outdoors, indoors, sit down meal or hog roast
- your personality or shared hobbies if you would like these incorporating in to the design - artistic, old-school, classic, walking, cycling, travelling etc.

If you are still unsure of what you are looking for, don't worry. We'll create something individual and unique to you which you'll love just as much as your husband or wife to be!

## TABLE NAME CARDS

For those with a sit down meal, you may want to give your table's specific names, either a movie, flower, book, car or band name. This would be incorporated on your seating plan. If the guests don't know what they are having for the breakfast dinner, it may be nice to have a few menus on the table. Table place name cards are also very popular.
